

# A.M. BEST

**A.M. Best** offers comprehensive, quality data for insurance professionals while providing quantitative and qualitative evaluations of insurance companies. The proprietary **Best's Credit Ratings** is the industry's standard measure of insurer financial performance.

**A.M. Best's coverage includes the following:**

- **Detailed earnings synopses:** The latest quarterly and yearly results of insurance companies doing business across the globe.
- **Corporate news reports:** Details of the latest corporate developments in the insurance sector including, management shake-ups, layoffs, business strategies, joint ventures, legal news and new product offerings.

- **Mergers and acquisitions reports:** Information on corporate mergers, acquisitions and purchase opportunities.
- **Thorough evaluations of insurance companies:** Corporate ratings that evaluate the financial health and stability of individual insurance companies.

A.M. Best's content is available in Comtex's financial-related **CustomWire®** offerings and the **Top News** product lines. A.M. Best is also available as a **Full Feed** offering.

News and events in the insurance industry affect more than the sector professionals; corporate executives, investors, litigants and legislators all have a stake in insurance. A.M. Best, a constructive force in the global insurance industry, is everyone's insurance information source.
