

ADVICETRADE

Since being founded in June 2001, AdviceTrade has grown into a leader in online investing publications. Specializing in ETFs, or Exchange Traded Funds, their counsel and analysis of the markets are sought by thousands of investors in more than 30 countries across the world.

The AdviceTrade feed offers the following content:

- **Market Analysis:** AdviceTrade's expert analysts provide trading advice as well as in-depth technical chart evaluation of ETFs that track equity indices, metals, energy commodities, currencies, treasuries and other markets. It is especially beneficial to the investor seeking counsel on specific trades, as well as the prevailing trends in the market.
