

BUSINESS WIRE

Business Wire, a wholly owned subsidiary of Berkshire Hathaway, is the global market leader in commercial news distribution.

The Business Wire news feed contains investor relations and public relations press releases, photos and multimedia from tens of thousands of member companies and organizations worldwide.

Business Wire's news file includes:

- **Breaking Corporate Disclosure News:** Business Wire issues corporate disclosure news from US, Canadian and European traded companies, including earnings reports, corporate webcast advisories, executive changes, restructuring efforts, bankruptcy filings and more.
- **Public Policy and Issues-Focused News:** Business Wire carries public policy news from government agencies, issues advocacy groups and companies. Corporate social responsibility news and topical features news packages are also available.
- **Industry-Specific News:** Business Wire carries news from nearly 200 industry-specific sectors, from technology to entertainment, biotech to automotive, retail to sports.
- **Promotional, Publicity, Event and Advisory News:** Business Wire issues promotional multimedia press releases, news conference advisory alerts and serves as the official wire for hundreds of industry trade shows, carrying exhibitor news of product launches and more.

Business Wire content can be found in the majority of **Comtex's CustomWire®** products, particularly the financial-related offerings. Business Wire is also available as a **Full Feed** offering. When access to corporate disclosure reporting is key to success, Business Wire is your clients' gateway to global markets.
