

HUGIN GROUP

The **Hugin Group** is Europe's leading provider of unedited corporate information. Hugin is a fully owned subsidiary of NYSE Euronext and currently distributes press releases on behalf of over 2000 companies throughout 26 countries. It offers real-time quality information by providing communication professionals with the most innovative, straight through processing solutions for the delivery of unedited facts to their target audiences. Hugin also offers tailored research and management of media data as well as press release distribution to targeted media world-wide.

Hugin coverage includes the following:

- **Corporate reports:** Announcements of corporate restructuring, new product releases, joint ventures, partnerships and shareholder meeting news.
 - **Comprehensive merger and acquisition reports:** News on hostile takeovers, buyout offers and purchase opportunities.
- Hugin's content can be found in many of Comtex's **CustomWires®** particularly the **Finance** and **International** products, as well as key industry products for **Energy**, **Technology** and **Healthcare**, among others. Hugin's content is also available as a **Full Feed** offering.
- The impact of investor relations news from Austria, Belgium, Denmark, Finland, Germany, Iceland, Ireland, Luxembourg, Netherlands, Norway, Sweden, Switzerland and UK extends beyond Europe's borders. With real time delivery, Hugin Group will allow your clients to be among the first to receive important European corporate news and act accordingly.
