

NEED TO KNOW NEWS

Need To Know News (NTKN) is a fully accredited news agency, which focuses on economic releases in the USA, Germany, Canada and the UK. Their reporters specialize in real-time, market moving news geared towards those with a financial interest in Fixed Income, Currency, Treasury functions, Energy announcements, broad equity information and geopolitical news.

NTKN is accredited with and disseminates information from the following economic press rooms:

- Department of Labor
- Department of Treasury
- Department of Commerce
- National Association of Realtors
- Statistics of Canada
- Bank of Canada

- ZEW
- IFO
- ECB
- Office for National Statistics
- Bank of England

Plus, several other economic institutions.

NTKN is one of only a handful of fully accredited agencies tasked with analyzing and disseminating vitally important government statistics. Get real-time updates throughout the trading day on all major market news, Fed speeches, Treasury operations, energy supply issues, unexpected geopolitical events and more by adding **NTKN** to your Comtex newsfeeds.

NTKN is available from Comtex as a **Full Feed** only offering.
