

# UWIRE

**UWIRE** is a leading provider of student-generated content. Founded in 1994, it has evolved into the central source for timely and informative news regarding U.S. colleges and universities—from today’s best and brightest aspiring content creators. UWIRE is an aggregator and distributor of student-generated content culled from more than 800 student-run media outlets.

UWIRE has expanded their coverage and is now offering full coverage from over 250 colleges plus selected coverage from a further 550 colleges.

UWIRE is available as a **full feed offering** from Comtex and can be found in several applicable **Comtex CustomWires**.
